YAHWEH UNIVERSITY HISTORY

Yahweh University, AKA Hebrew Israelite Academy, was founded by Yahweh Ben Yahweh in 1979 as a private institution supported solely by tuition and tax-deductible gifts. Yahweh Ben Yahweh is a Tutelary Genius who created a “New School” that produces students rated as “genius” through precepts of morality as found in the King James Version (KJV) of the Holy Bible (Matthew 5:48.)

Yahweh will direct our children to possess attributes of morality which will make them “gods” (Psalms 82:6) like Daniel, Hananiah, Mishael and Azariah, our students will be ten times better in wisdom, knowledge and skills (Dan. 1: 17-20.)

EDUCATIONAL PHILOSOPHY AND METHODOLOGY

- Yahweh Ben Yahweh’s educational philosophy and teaching methodology assures “Mastery for Life”.
- Students are grouped by age, not ability.
- There is no first, second or third grade. There is no “pass” or “fail.”
- The word “level” is used to indicate grade level materials that can be used as academic references.
- Neither A, B, C, D, F nor “sad faces” are to be used. Happy faces, checks and check plus are to be used.
- After Level 1, knowledge should be reviewed and continued for the next level. All students must demonstrate knowledge of foundation information. Some levels are repeated for proper retention.
- Students memorize Working Definition and Glossary for each subject.
- Use music, drumming, and beats while memorizing.
- After the Working definition and glossary, students learn the “meat” of the subject (2 Tim. 2:15) EXAMPLE:
Step 1= Memorize definition of “Biology”;
Step 2= Recite “Biology Terminology”
Step 3=Study Creation of Animals and Mankind (Gen. 1:20-31)
Step 4= List and study Clean and unclean animals, dietary restrictions, laws of cleansing, etc.
